Introduction

WELCOME TO THINK NORTH AGENCIES LTD

Think North Agencies Ltd, has earned its reputation through its sincere services of various kind while catering the demand of foreign work force recruitments for different organizations. It also caters individuals who go abroad on their assignments. We put candidates through a battery of tests and interviews before recommending them to any clients.

The biggest strength of a company is its workforce. Think North Agencies Ltd is one of the leading Manpower Recruitment Consultants who are committed to maintain a very high standard of quality and efficiency. We have the complete infrastructure for testing the abilities of workers from Unskilled to Skilled.

WHY WORK WITH US

RELIABLE

Think North Agencies Ltd is up to date with the latest in labour laws, emigration rules, etc. This proves to be beneficial to both the employer and the employee. Hence it results in a smooth passage to all.

DUBAI LABOR PLACEMENTS

With extensive experience in Gulf manpower deployment, we facilitate reliable labor placements across various sectors in Dubai. Our strong employer network ensures ethical recruitment and timely processing. We are committed to providing skilled and semi-skilled workers with genuine overseas employment opportunities.

SAUDI VISA STAMPING

For more than 21 years we have been a major player in this field. Our agency is approved by the Saudi Embassy in Nairobi.

QATAR VISA STAMPING

Many of the aspirants prefer to go to Kuwait for not only its prosperity but also for its close ties with the global superpowers.

OVERSEAS RECRUITMENT

As mentioned earlier, we are an approved agency of the Ministry of Labour in Kenya.

EMIGRATION CLEARANCE

Emigration is the act of leaving one's native country or region to settle in another country. In our terms emigration means immigration Clearance from National Employment Authority (NEA) and Foreign Ministry of Labour (F.M.O.L)

ATTESTATION

Attestation of all types of certificates, particularly for those who wish to do jobs in foreign countries.
